

# Art Cocoon™ Traveler 1 Directions

For Panel Sizes 4"x6" • 5"x7" • 6"x8" • 8"x10"

1. Completely remove inner pieces from Carrier & Lid.

2. Assemble pieces in carrier for the size panel you're painting on, as illustrated above. **NOTE:** No removeable pieces should remain in Lid.

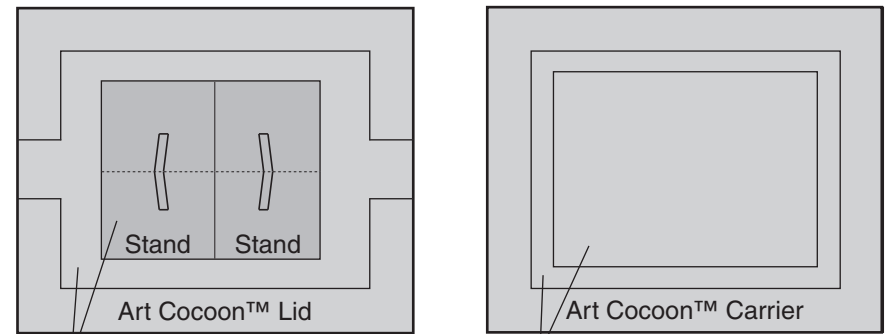

Add folded stands to make display.

# Art Cocoon™ Traveler 2 Directions

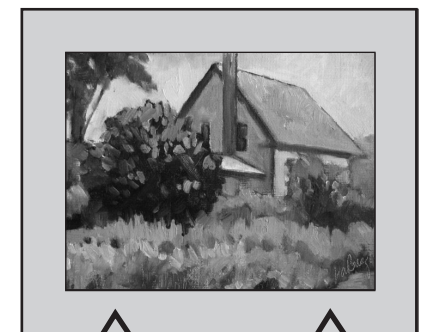

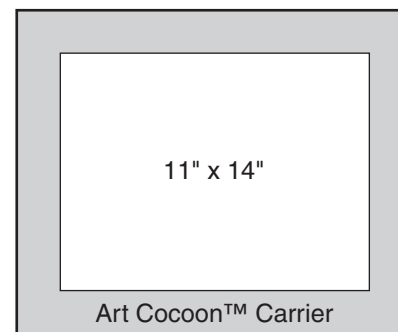

For Panel Sizes 8"x10" • 9"x12" • 11"x14"

1. Completely remove inner pieces from Carrier & Lid.

2. Assemble pieces in carrier for the size panel you're painting on, as illustrated. **NOTE:** No removeable pieces should remain in Lid.

Add folded stands to make display.

Panel brands vary in actual size. Some are smaller than others. Use masking tape on the back of your panel to secure it in place. Your Art Cocoon is ready to use as is although you may spray paint it with a coat of clear acrylic varnish. Art Cocoons can also be painted with any color of acrylic spray paint.
